

Bug: <http://prntscr.com/gittkf> - This screenshot shows, how bug report looks like in TFS

Title:

Bug - It's allowed to convert money with negative value

Repro steps:

1. Go to <http://www.nationalarchives.gov.uk/currency/default0.asp#mid> page
2. Select any year from drop-down list in (1971-2005) converter f.e. 1975
3. Click on Convert button
4. Enter "-" in pound field before value and click "Convert" button

Expected result: it's not allowed to convert money with negative value

Actual result: it's allowed to do that
